The diagram illustrates the decomposition of a large rectangle into five smaller rectangles, labeled (A) through (E). The dimensions of each rectangle are as follows:

- (A) AGR: 16 by 22
- (B) OPA: 16 by 8
- (C) BAS: 48 by 24
- (D) OPA: 12 by 4
- (E) PTA: 20 by 16

The rectangles are arranged such that (C) is the base, (E) is on top of (C), (B) is to the right of (E), (A) is to the right of (B), and (D) is below (A). The total area of the figure is 1120.
